1 The motion for a protective order is granted. It is obvious that these cases will require the
2 exchange of material whose contents must be kept confidential. Indeed, the plaintiffs have already
3 sought discovery of the contents of the personnel files of United employees. The defendants are
4 directed to submit proposed orders in each of the coordinated cases based on the Northern District
5 of California's model protective order, with the only change being the addition of the "attorneys'
6 eyes only" designation they've proposed. The parties are ordered to meet and confer about
7 categories of documents and other discovery materials that may be shared between cases and
8 submit a stipulation by August 27. The plaintiffs may file a supplemental brief, not to exceed 5
9 pages, in response to the court's order to show cause by August 20.

11 **IT IS SO ORDERED.**
